

A product of
 **Low Mu Tech**™

Seed Lubricant

Low use rate

This product may settle in the package during shipment. Gently agitate the package prior to use by turning this container end over end a few times with the seal closed securely to loosen material if settling has occurred.

Product for limited use only as labeled for on-seed lubricant. Not licensed for any other use.

DIRECTIONS FOR USE: One 1 lb. bag treats: 40 units of seed up to 50 units of seed. Please use the enclosed scoop.

Scan the QR code for Specialty DUST™ usage rate guide.

As best practice, the farmer should confirm all inputs are approved by their organic certifier, prior to use.

Contact us at 1-877-NFA-BIOS to request the Specialty DUST technical information.

Thank you for purchasing one of our Cleaner. Safer. Greener.™ products.
