

FOR ALL CROPS: Innovation in the Planter Box

DUST™ + B4 is a blend of 4 highly concentrated beneficial spore forming bacteria for use in agriculture for all crops.

WHEN APPLIED, DUST + B4:

- Microbes grow on the roots of your crop all season long increasing nutrient uptake and allows plants to more effectively use nutrients.
- Provides seed lubricant and seed flow aid during planting or seeding

DIRECTIONS FOR USE

PLANTER BOX/HOPPER BOX APPLICATION:

The recommended application rate is 0.5 oz. (14 g) per 1 unit of corn (80,000 seeds/unit) or soybeans (140,000 seeds/unit). For wheat and other small seed crops 0.5 oz (14 g) per 50 lbs (22.67 kg) of seed. Apply by dispersing the powder evenly onto seed using appropriate equipment. (See additional instructions as needed).

No additional specific markers or distinguishing features of seed coating are needed.

Read the entire front and back label before using this product. Use only according to label directions. To the extent consistent with applicable law, this product shall not be reverse engineered or used by Buyer for research purposes.

- Specimen Label is for general information only.
- It is customer responsibility to follow all federal, state, and local regulations regarding biologicals.
- Before using any biological, be sure the intended use is approved in your state.
- Your state may require additional precautions for biologicals that are not included here.
- This information may differ from product label.
- Always follow the label and instructions on the product.

HANDLING

Avoid contact with skin, eyes and clothing. Avoid inhalation of powder. Wash any contamination from skin or eyes immediately. Wash hands and exposed skin before eating, drinking, smoking or using the toilet.

STORAGE

Store in tightly closed original container in a dry, cool and well-ventilated place. Do not exceed 80°F for extended periods. Keep container closed when not in use. Keep away from food, drink and animal feedstuffs.

EXPIRATION DATE

Two years from date of production. See container for production date.

DISPOSAL

Dispose of contents/container in accordance with local/regional national/international regulations.

LIMITED WARRANTY

The Seller warrants that this product contains the minimum number of microbial viable cells as specified on this label. The Seller makes no other warranty expressed or implied as to product viability or performance since product storage, use, and growing conditions are beyond the Seller's control. Seller's limited warranty is limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition. Seller shall not be liable for special, indirect, incidental or consequential damages. If this product does not perform as warranted above, and to the extent consistent with applicable law, customer's sole remedy for breach of warranty shall be replacement of the product or refund of the purchase price paid, at the option of NewFields Ag™.

EXCEPT AS PROVIDED ELSEWHERE IN WRITING CONTAINING AN EXPRESSED REFERENCE TO THIS WARRANTY AND LIMITATION OF DAMAGES, SELLER MAKES NO OTHER EXPRESSED OR IMPLIED WARRANTY OR GUARANTEE TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, INCLUDING ANY OTHER EXPRESSED OR IMPLIED WARRANTY OF FITNESS, NON-INFRINGEMENT, OR OF MERCHANTABILITY, AND NO AGENT OF SELLER IS AUTHORIZED TO DO SO.

Thank you for purchasing one of our Cleaner. Safer. Greener.™ products.
